

## TECHNICAL PASSPORT APPLICATION

New Technical Passports will only be issued after a full inspection of the vehicle, Safety Equipment and supporting documentation. These inspections will be carried out at the EMSO Technical Centre's in Dubai and Abu Dhabi. It is highly recommended you book an appointment ahead and allow at least 7 days for processing prior to intention to participate in any event. No other body is permitted to issue Technical Passports.

The following documents will be required in support of any Technical Passport application regardless of New or Replacement requirements:

1. Completed and approved ROP Certificate issued by the EMSO, or original Approved ROP Manufacturers Certificate/Homologation Document
2. Original and Current Competition or Entrants license in the name of the Owner.
3. Proof of Ownership.
4. Fuel Cell Certificate (original).
5. Two Pictures as specified on the Technical Passport Application (Last Page)

**Note:** Owners may be required to supply additional documentation depending on category of vehicle. (eg. Vehicle Homologation documents, eligibility certificates, safety equipment, etc).

Inspections can be arranged by contacting 04 252 0022 or [Technical@emso.ae](mailto:Technical@emso.ae)
