## Entrants Licences

An entrant licence is required when a team wishes to officially enter an event, and have their name printed in the official entry list and results. The EMSO only issues Entrants licenses for FIA and FIA Karting, as the FIM operates under a different procedure.

<u>**Requirements:**</u>

- ❖ An application form containing the teams name, contact phone number, what type of licence they require, and a signature.
- ❖ Team Logo

<u>**There are 3 different types of Entrant Licence:**</u>

**Entrant National** – Valid for a complete year of national level racing. Cost is AED 1000.

**Entrant International** – Valid for a complete year of international level racing. Cost is AED 5000, and the team is entitled to 3 copies of the licence.

**Entrant International (Single Event)** – Valid for only a single international meeting. Cost is AED 1000. The specific meeting should be named on the licence to prevent it being reused.
