FIA/ASN Approved Safety Cage Manufactures in the United Arab Emirates

These manufactures listed below have met the listed requirements as per the 2021 FIA Homologation regulations for Safety Cages, Art 2 (see text below) and are hereby approved to manufactures Safety Cages for Motorsport use.

Each ASN-approved manufacturer has demonstrated to the ASN:

- That the material he uses has a certificate of origin or of traceability;
- That the welding methods he uses produce consistent and sound welds and are regularly checked by laboratory tests; (every two years, the manufacturer is required to submit a test report to EMSO)
- When using heat-treated steel the special instructions of the manufacturers must be followed (special electrodes, gas protected welding);
- That he operates and maintains auditable in-house quality standards and procedures, updated regularly.
