- 14.1. Upon Entering the competition, a Competitor agrees with all relevant Regulations concerning the Competition.
- 14.2. It is not allowed to push the vehicle of another competitor to assist them in case of running out of fuel, experienced a mechanical breakdown etc.
- 14.3. Competitors must drive the car alone and unaided.
- 14.4. Competitors must always follow all aspects of these Sporting Regulations, as well as any other Regulatory documents deemed to cover the event in question, both on and off track.
- 14.5. Competitors must use the track at all times. For the avoidance of doubt, the track-limits as enforced by the software will be the definitions of being on or off the circuit.
- 14.6. Competitors may not utilise walls or other objects to gain an advantage in getting around a corner ("wall-riding"). Competitors deemed to have used walls in an advantageous way may be subject to a penalty.
- 14.7. Should a car leave the track for any reason, the Competitor may re-join. However, this may only be done when it is safe to do so and without gaining any advantage.
- 14.8. At the absolute discretion of the Race Director, a Competitor may be given the opportunity to give back the whole of any advantage gained by leaving the track.
- 14.9. Manoeuvres liable to hinder other Competitors, such as deliberate crowding of a car beyond the edge of the track or any other abnormal change of direction, are not permitted.
- 14.9.1. For the avoidance of doubt, this applies on straights, as well as on the entry, apex and exit of any corner.
- 14.10. Competitors may not cross the Pit Entry or Pit Exit lines
- 14.11. A Competitor may not deliberately leave the track without a justifiable reason.
- 14.12. Any penalties issued automatically by the software will not be overruled.
- 14.13. More than one change of direction to defend a position is not permitted. Any Competitor moving back towards the racing line, having earlier defended their position off-line, should leave at least one car width between themselves and the edge of the track on the approach to the corner.
- 14.14. Any Competitor who is not on a timed lap in Practice or Qualifying must yield to cars on timed laps that are catching the Competitor in question, without impeding the Competitor behind. At the discretion of the Stewards, failure to yield may result in a penalty.
- 14.15. As soon as a Competitor is caught by another Competitor which is about to lap it during a race, the Competitor being lapped must allow the faster Competitor past at the first available opportunity.
- 14.16. Competitors may not artificially affect the outcome of any results through on- or off-track behaviour.
- 14.17. All actions, whether deliberate or not, to distract other Competitors while driving, are strictly prohibited.
- 14.18. Competitors may not intentionally spin out, make contact with other cars or Competitors, or perform any other such actions after race finish.

15. INCIDENTS

15.1. Definition

15.1.1. Incident means any occurrence or series of occurrences involving one or more Competitors, or any action by any Competitor, which is reported to the Stewards by the Race Director or noted by the Stewards and subsequently investigated.

15.1.2. These include (but are not limited to):

- b. When an opponent loses position in the race due to your collision with another car;
- c. When an opponent is pushed off track due to your collision with another car;
- d. When an opponent is sent into a spin due to your collision with another car;
- e. When the opponent receives mechanical damage due to your collision with another car;
- f. Blocking with more than 2 direction changes on the track;
- g. A Competitor is deemed to have significant overlap when the hub of their front axle is alongside the hub of another Competitor's rear axle;
- h. Not leaving one car width of space for Competitors with adequate overlap;
- i. Forcing yourself into the inside of a car in front at a corner when you were not already parallel to it;
- j. Braking in a location that does not require brakes ("brake testing").
- k. After driving off track, returning to the track without waiting for a car behind to pass;
- l. Not adhering to blue flags during qualifying or a race;
- m. Secretly working to give an advantage to another competitor.
- n. Not following mandatory pit stop rules;
- o. Distracting other Competitors while driving;
- p. Unapproved adjustments of any hardware or software;
- q. Other unsportsmanlike conduct, at the discretion of the Stewards.

15.2. Additional rules:

15.2.1. It shall be at the discretion of the Stewards to decide, upon a report or a request by the Race Director, if a Competitor or Competitors involved in an incident shall be penalised.

15.2.2. The Stewards and Race Director have the authority to impose penalties for driving infringements committed during all stages of competition, including the Global Qualification

15.2.3. If an incident is under investigation by the Stewards during the Grand Final, if the facilities so permit, a message informing all teams of which Competitor or Competitors are involved will be displayed.

15.2.4. Provided that such a message is displayed within 25 minutes of the end of the race, or if a message is delivered to any team concerned within this time limit, the Competitor or Competitors concerned may not leave the circuit without the consent of the Stewards.

15.2.5. Drivers must return any gained advantage within three corners to avoid a penalty. The process of returning the position must be clearly executed and must not impede any other driver.

15.2.6. Impediment of another driver during qualifying will result in either a drive-through penalty during the race or a 30-second time penalty added to the final race time.

15.2.7. When performing overtakes, a competitor is entitled to one car width on the circuit only if they are significantly alongside. "Significantly alongside" is defined as the rear wheels of the leading car aligning with the front wheels of the trailing car. This rule applies to both GT and Formula racing categories.

15.2.8. Blue flags must be strictly respected. A lapped driver has three corners to allow the lapping car to pass. Failure to comply will result in a penalty as per the National and International Sporting Code (ISC).

15.2.9. The official time for filing a protest is 10 minutes after the last car crosses the chequered flag. Protests must be submitted in writing to the Race Director or the Secretary of the Meeting and

must be accompanied by a deposit of 500 AED in cash. The deposit is refundable if the protest is upheld by the stewards. All relevant protest rules apply as per the ISC.

15.2.10. The race will not be restarted if any device experiences a power disconnection or technical issue.

15.2.11. In the event that all devices face power disconnections or technical issues, the decision to restart the race will be at the discretion of the stewards.

15.3. **Applicable Penalties**

15.3.1. The Stewards may impose any one of the penalties below on any Competitor involved in an incident:

- a. An in-race penalty to be served before the end of the race, as instructed by the software;
- b. A post-race time penalty;
- c. A reprimand;

15.3.2. If any of the penalties referred to in 18.3.1 are imposed, neither the penalty nor the reason for the penalty shall be subject to appeal.

15.3.3. Any automatically issued penalties issued by the software will not be subject to appeal and/or removal by the Stewards or Race Director.

15.3.4. Should the Stewards decide to impose the penalty under Article 18.3.2 a., the Competitor affected must follow the instructions issued by the software.

16. **PROTESTS AND APPEALS**

16.1. Protests shall be made in writing to the Chair of Panel of Stewards within 10 minutes of the end of the session in question.

16.2. Appeals shall be made in writing to the Chair of Panel of Stewards within 15 minutes of the announcement of the penalty.

16.3. Appeals may not be made against decisions concerning penalties imposed under Art. 18.3.1 including those imposed during the last three laps or after the end of the race.

16.4. There will be ingame stewarding and penalties will be applied in game by the EMSO Officials. Ingame standard penalties will be applied as well.

16.5. If you receive an ingame penalty you have 3 laps to serve it otherwise, you will be disqualified from the race.

16.6. The official time for filing a protest is 10 minutes after the last car crosses the chequered flag. Protests must be submitted in writing to the Chair of Panel of Stewards or Race Director or the Secretary of the Meeting and must be accompanied by a deposit of 500 AED in cash. The deposit is refundable if the protest is upheld by the stewards. All relevant protest rules apply as per the ISC.
